ESTABLISHMENT - Temporary - Public Works Department - South Kanara Division- Grow More Food Sub Division, Mangalore - Continued.

30199

PUBLIC WORKS DEPARTMENT

From Sri
A.R.Venkatachari, B.E.,M.I.E., (Ind), M.Am.Soc. C.E. I.S.E., Special Chief Engineer P.W.D. Chepauk, Madras 5.

To
The Secretary to Government, Public Works Department, Fort St.George, Madras.

LETTER NO. 1317/53-B-19 DATED 7th April 54

Sir,

Sub:- Establishment - P.W.D. Temporary - South Kanara division, Grow More Sub division, Mangalore continuance etc. sanction - requested-

Ref:- G.O.Ms.No.2127 PWD dated 14-5-53

1) In the G.O. cited, sanction was accorded for the continuance of South Kanara division and the Grow More Food sub division, Mangalore with the following staff upto 30-4-54 i.e.

for South Kanara division

1 Executive Engineer
1 Divisional Accountant
1 Head Clerk
2 Upper division clerks
3 Lower division clerks
1 Typist
1 Draftsman II Grade
1 Draftsman III Grade
2 Tracers
4 Peons

and for Grow More Food sub division Mangalore

1 Assistant Engineer
4 Supervisors
1 Upper division clerk
1 Lower division clerk
6 peons

2) The South Kanara division has now in its charge the following two sub divisions excluding the Grow More Food sub division, Mangalore

1) Mangalore sub division .. Permanent
2) Special sub division, Mangalore .. till 31-8-54 vide G.O. Ms No.3302 PWD d/12-8-53

The Grow More Food sub division, Mangalore has in its charge the following six sections i.e.,

TWO sections for the maintenance of Shiriya, Pavanji, Phalimar, Ramanchira and other completed works - (sanction for the continuance of these sections for another year from 1-4-54 has been applied for in the proposition statement for Coimbatore circle submitted to Government in Chief Engineer's (General) letter No.1540 E2/54-2 d/11-3-54.

ONE section for execution of Grow More Food schemes in Coondapoor taluq

ONE section for investigation of Minor G.M.F.Schemes

TWO sections for the detailed investigation of Bijur and Halady schemes.

3)(i) Apart from the above staff, the Superintending Engineer, Coimbatore submitted proposals for the formation of three sub divisions in Puthur, Coondapoor and Mangalore solely for the execution of schemes in the South Kanara division sanctioned under Special Minor Irrigation Programme. After examination of the proposals, I have requested sanction of Government in my letter No.436/54-M-16 dated 10-3-54 for the

-2-

the formation of only one sub division with the following staff

1 Assistant Engineer
5 Junior Engineers
1 Upper division clerk
1 Lower division clerk
7 peons

as the execution of schemes under Special Minor irrigation programme were in the initial stages. Orders of Government on this, are awaited. In this connection, I have to state that the Superintending Engineer, Coimbatore circle has recently submitted a list of twenty schemes outside the Special Minor Irrigation programme for 54-55 in South Kanara division to be considered for inclusion in the Special Minor Irrigation Programme As many among these schemes are found to be feasible and plans and estimates are being prepared for them, one sub division recommended for sanction for execution of schemes under Special Minor Irrigation Programme will not be sufficient and it is considered that one more sub division would be quite necessary and I have accordingly proposed to send proposals to the Government separately for the second sub division.

(ii)Taking into consideration the above two sub divisions also, there will be, in all, five sub divisions in charge of South Kanara division. These sub divisions cannot be attached to any other division and the continuance of the South Kanara division is therefore quite necessary.

4) The two supervisors among those sanctioned in the G.O. MS No.2127 PWD d/14-5-53 are now attending to the detailed investigation of the major chemes i.e., Bijur scheme and H alady scheme. The detailed investigation of these two schemes could not be taken up and/or completed so far due to the insufficiency of technical staff and the Superintending Engineer, Coimbatore circle has therefore suggested a separate sub division with 1 Assistant Engineer and 3 Supervisors solely for the investigation of these two schemes. I also agree that the additional staff required by him is quite necessary in the interest of speedy detailed investigation of these two major schemes. But in view of the proposal to employ two sub divisions for the execution of Minor Irrigation Programme schemes I am confining the demand to one more Supervisor with a peon to be attached to the Mangalam sub division for the investigation of the two schemes mentioned above. In this connection, I also invite reference to my recent letters to Government in Nos.806/54-B-2 d/24-3-54 and 806/54-B-4 d/1-4-54 in which the present stage of these two schemes and the need for the additional staff were explained.

5)In view of the above, I request that Government may be pleased to sanction the continuance of the South Kanara division and the Grow More Food sub division, Mangalore with the following staff for another year from 1-5-54.

For South Kanara division.

1 Executive Engineer
1 Divisional Accountant
1 Divisional H ead Clerk
2 Upper division clerks
3 Lower division clerks
1 Typist
1 Draftsman II Grade
1 Draftsman III Grade
2 Tracers
4 peons

and for Grow More Food sub division, Mangalore

1 Assistant Engineer
* 5 Supervisors
1 Upper division clerk
1 Lower Division clerk
*7 peons

(*The extra supervisor and the extra peon are with reference to para 4 above.

j) I request early orders of Government in the matter.
